Welcome

22/9/2021 - Milano Bicocca U7/03
Outline

1. Introducing each other
2. Organization
3. Online resources
5. Questions and Answers

prof. Claudio Cusano
claudio.cusano@unipv.it
Our students

- 131 students (and counting)
- 30 extra UE
Our universities
Our teachers

Prof. Lourenco Beirao da Veiga and Prof. Franco Dassi (Theoretical & Comp. Linear Algebra)
Prof. Emanuela Bricolo (Cognitive Psychology)
Prof. Giuseppe Chirico and Marco Lucchini (Experimental Physics for AI)
Prof. Stefano Ferrari and Piercarlo Dondi (Computer Programming, Algorithms & Data Struct.)
Prof. Silvio Ghilardi (Computational Logic)
Prof. Rafael Peñaloza Nyssen and Prof. Matteo Palmonari (Knowledge Repr. & Reasoning)
Prof. Luca Rondi (Calculus)

Teaching council: proff. Dario Bambusi, Emanuela Bricolo, Stefano Carrazza, Claudio Cusano, Alessandro Lascialfari, Stefano Peluso, Rafael Peñaloza Nyssen, Vincenzo Piuri, Giulio Schimperna
Organization
Students are enrolled at the University of Pavia
They will also be automatically registered by the other two universities
All the services will be granted by the three universities (canteens, libraries…)
Except for scholarships and residences (PV only)
Starting from October, possible discount for a bus pass to move between the two cities

Lectures

- Lectures are given live in the classrooms
- Attending the lectures is recommended, but not required
- Attending the labs is strongly recommended
- Live streaming won’t be provided (unless attendance is restricted)
- Lectures will be recorded for offline viewing

**Lunch Break**

**WARNING:** during the first week of lectures room V1 is not available. Room 405 will be used instead.

Room U6/4 will not be available on September 30. Room U6/9 will be used instead.
OFA in mathematics

- OFA = Obbligo Formativo Aggiuntivo (additional training obligation)
- If your result in mathematics was below 9/20 you have an OFA
- If you don't fix it, you won't be able to enroll in the second year
- First option (recommended): take the pre-course
  
  
  ○ Pass a test (dates to be defined, first one in October/November)
  ○ The online test is useful, but does not fix the OFA

- Second option: pass the final Calculus exam

Even if you don’t have the OFA, consider taking the pre-course
Online resources
Bachelor Degree in Artificial Intelligence

Admission test: TOLC-I
Duration: 3 years
ECTS: 180

Teaching Structure Area

This page is the starting point for browsing the information regarding the University’s teaching and administrative services; in order to access the system, you need to gain your own login credentials.

If you are already enrolled at the University of Pavia (or if you have been enrolled in the past), please enter your personal identification number (Italian personal identification number, in capital letters) and password (in capital letters) you used to connect to the WI-FI network etc.

If you have never been enrolled at the University of Pavia, please select Registration. You will be asked to enter the information regarding your legal status and, at the end of the procedure, you will be awarded a username and a password.

If you already have a username and a password but you forgot them, please follow the instructions provided at https://studentionline.unipv.it/Anagrafica/PasswordDimenticata.do?menu_opened_cod=

ONLY FOR INCOMING ERASMUS STUDENTS:
Please enter Application form for incoming students

https://studentionline.unipv.it
La piattaforma e-learning della didattica dell'Università degli Studi di Pavia. La piattaforma è suddivisa in diverse aree comprendenti gli oltre 90 corsi di studio.

Covid-19
To attend lectures and exams you need

- a valid Covid-19 certification (“green pass”)
- face mask
- to keep the distance
- pay attention to any Covid-related symptoms
Reserve your seat

Milano - Statale

● Use the app “LezioniUnimi”
● Instructions at
  https://www.unimi.it/en/study/bachelor-and-master-study/following-your-programme-study/teaching-activities-campus

Milano - Bicocca

● Use the app “UNIMIB Course”
● See the page
  http://gestioneorari.didattica.unimib.it/PortaleStudentiUnimib/?view=homepage&_lang=en
