Spring Workshop

COMPMAT 2025

Friday 23 May 2025 - 9 am

Aula Grande, University of Pavia

compmat.workshop@gmail.com

This workshop is designed for future PhD students, specifically those enrolled in master's programs in mathematics, physics, or engineering.

It targets students interested in the PhD Program in **Computational Mathematics, Learning, and Data Science**, as well as companies that can provide case studies and research opportunities for young scholars.

to attend the workshop, please register on our website!
